HOMICIDES

FIRST PRECINCT

At 9:45 P. M., May 29, 1924, Joseph Basile, alias Brazil, 337 James Street, North Hamilton, Ontario, was shot and killed by two men as he was walking on Front Avenue, near Carolina Street. Up to the present no one has been apprehended for this crime, but investigation showed that the murder was the result of a grudge.

About twelve o'clock noon, November 27th, 1924, Salvatore Giglia, 40 years old, shot and killed his 14 year old daughter Mary, in their home at No. 5 Trenton Avenue and then killed himself. The shooting was a result of the girl refusing to marry the man of her father's choice.

SECOND PRECINCT

About 12:45 P. M. January 15th, 1924, Patrolman William T. Hunt, placed under arrest, Florencia Lerma, alias Martin Flores, Mexican, 25 years old of 15 Church Street, Lackawanna, N. Y., and a colored man named Mack (first name unknown), and was taking them to a patrol box at North Division and Chestnut Streets. While sending in a call for the patrol wagon Lerma drew a revolver and attempted to shoot Patrolman Hunt, but the gun did not discharge and Lerma used it as a club and struck the officer over the head several times rendering him unconscious. Hunt was taken to the Emergency Hospital where he died January 17th, 1924. After the assault both prisoners escaped. Lerma was arrested at his rooming house, 195 Seneca Street. He was tried and convicted of Murder 1st degree and was electrocuted in Sing Sing Prison, January 22nd, 1925. Mack was not apprehended.

At 8:55 P. M. June 28th, 1924, Joseph Magistrale, 167 Jefferson Avenue, stabbed and killed William Bater, 44 years old and wounded his brother Harry in the Bater home at 132 Jefferson Avenue. Magistrale escaped after the assault, was arrested at 11:30 P. M. at Bailey Avenue and Broadway by Mounted Patrolman Raymond E. Doyle, as he was attempting to leave Buffalo in his automobile. Magistrale was indicted for Murder 1st degree and his trial is pending. Investigation show-

ed that the quarrel was the outgrowth of trouble over a card game. Harry Bater has since recovered from his wounds.

Clifford Fuller, 24 years old and Perry Gilmore, 26 years old, both colored, roomers in a boarding house conducted by Idella Butler, 488 Seneca Street, got into a fight over the woman. Mrs. Butler heard the commotion and went into the room of another boarder and procured a revolver. Coming out into the hall she shot Fuller in the stomach. He was taken to the Emergency Hospital where he died. The shooting took place about 9:15 P. M. July 29th, 1924 and Fuller died July 31st. The Butler woman was arrested by Captain John Driscoll, Detectives Martin, Murphy, William P. Donohue and Patrolman Timothy F. Harrington and a charge of Murder 1st degree was lodged against her. The case has not come to trial as yet.

At 9:15 P. M., August 13th, 1924, William White, colored, 24 years old, rooming at 279 East Eagle Street was stabbed by another negro, whose identity was unknown. Descriptions, such as could be obtained were sent out and a suspect named Isaac Harris, a negro was arrested at Syracuse, N. Y., and returned to this city. He was indicted for Murder 1st degree. Later the indictment was dismissed, for lack of evidence. White's assailant is still at large.

THIRD PRECINCT

About 2:30 P. M., October 16, 1924, Martin Warren, 40 years old, of 301 Pennsylvania Avenue, shot and killed Mrs. Anna Pilski, 58 years old, and her daughter Sophia, both of East Amherst, N. Y., and wounded Irving Templeton, a lawyer, of 365 West Ferry Street. The shooting happened in the law offices of Coatesworth and Diebold, 2nd floor Main and Court streets, where a hearing was being held to determine how Warren's estate should be given to his wife and children as he was declared incompetent. Warren was objecting to the statements of the lawyers and declared they were trying to take his estate from him. Warren was arrested in the office by Patrolman George Schulz and John F. Hentges and charged with Murder 1st degree. He was examined by a lunacy commission and declared insane and sent to Matteawan Hospital for the criminal insane.

Shortly after 7 A. M., December 18, 1924, Daniel Rogers, 39 years old, 11 Whitney Place, Joseph Anzalone, 31 years old, 136 Carolina Street, and Louis Vacanti, 37 years old of 61 Lake-

view Avenue, went into the Waldorf Lunch, 16 West Chippewa Street. They were all somewhat under the influence of liquor and after ordering some food they all sat down at one of the tables. A customer who was eating his breakfast complained to the manager, Arthur H. Barker, 41 years old of 52 Goodell Street to request the three aboved named men to refrain from spitting on the floor. Mr. Barker spoke to the three men in a low tone and went to the cashier's desk. In ten or fifteen minutes, Rogers, Anzalone and Vacanti came over to where Barker was standing and had some words with him and Anzalone and Vacanti struck Barker who slowly sank to the floor and died. Patrolman Thomas R. Eggleston and Edward Funcheon who were passing arrested the three men charge Manslaughter 2nd degree. Rogers was discharged in a City Court hearing and Anzalone and Vacanti were indicted by the Grand Jury. The case is now pending.

About 6:40 A. M., October 16th, 1924, George Smith, 38 years old, of 33 Sidney Street, and John Campbell, 38 years old, 42 Potter Street, both colored, got into an argument over money matters, while both were standing in a driveway at 478 Michigan Avenue. Smith had a revolver in his pocket and fired one shot through his coat and struck Campbell in the stomach. Campbell was taken to the Emergency Hospital where he died October 20, 1924. Smith was arrested by Patrolman William H. Kennedy of the 4th precinct. He was tried for murder 1st degree and was acquitted on the grounds that Campbell shot himself.

FOURTH PRECINCT

At 9:50 P. M. May 10, 1924, Frank Minnick, 1403 Third Avenue, Roanoke, Va., and Vera LaMont, 131 Burton Avenue, Plainsville, Ohio, went into the jewelry store of August Hoyler, 315 East Genesee Street, and asked the clerk Rufus Eller, 566 Elm Street to show them some rings. When Eller was displaying the rings, Minnick grabbed the tray and started to back out the door, shooting Eller in the head as he did. George Biddell, 236 Adams Street was waiting outside the store with an automobile to carry away the three of them after the holdup had been completed. The following day all were arrested, and Eller died in the Emergency Hospital. Minnick was convicted of Murder 1st degree and is now awaiting electrocution. The trials of the Biddle and Miss LaMont resulted in disagreements of the juries and they are now confined in jail, pending new trials.

About 11:50 P. M., October 11, 1924, Alfred Alexander, 23 years old, colored of 18 Williams Street, was stabbed in the breast by Essie Lynch, also colored, 25 years old, of 298 Cedar Street. The stabbing occurred in a yard at 376 Spring Street, where the men had been arguing over some unknown matter. Alexander died several days later and Lynch was arrested, charge Murder 1st Degree. Case pending.

FIFTH PRECINCT

About 12:15 A. M., August 7, 1924, Henry H. Lyon, 45 years old of 122 Claremont Place, shot and killed his wife, Agnes, 40 years old, and his two sons, Roger W., and Henry Jr., 8 and 5 years respectively, while all were asleep at the above address. He then went to his bedroom and killed himself. No motive was learned for these crimes.

About 4:40 P. M., May 12, 1924, Harold Ackerman, 29 years old of 157 Bird Avenue, shot and killed his wife, Ella, 25 years old, and then shot himself. This murder and suicide happened in their bedroom at the above address. The reason for these crimes was domestic trouble.

EIGHTH PRECINCT

About 9:50 P. M., May 15, 1924, Adam Wojcik, 34 years old, residing at 848 Broadway, was found lying on a couch in the kitchen of his home with a bullet wound in the right temple. He was taken to the Emergency Hospital where he died a few hours later. His wife and five children were in the house at the time, but were unable to give any information as to who the assailant was.

NINTH PRECINCT

About 10:00 P. M., March 28, 1924, Mrs. Mary Schultz, 39 years old of 891 Perry Street, and Andrew Szygiel, 38 years old, of 139 Lord Street, were shot and killed after a quarrel in Mrs. Schultz's home by Desk Lieutenant John A. Hays of the Ninth Precinct.

There had been a party at the Schultz home, and Szygiel and Mrs. Schultz's husband, Joseph, objected to Hays attention to a woman who was there. During the party, a fight started and the two men tried to take Hays' revolver away from him.

Szygiel struck Hays over the head with a clock, and with Schultz knocked Hays down. Hays then started to shoot, killing two above mentioned people. Hays was arrested by Captain Short, Detective Sergeant William E. Burns and Detective John Schmelzer and Simon Crotty, charge Manslaughter 1st degree, but was discharged in City Court. Hays resigned from the department April 7, 1924.

TENTH PRECINCT

On July 16th, 1924, about 6.50 P. M., a revolver in the hands of Anthony Pignone, was discharged and one bullet, which was the only one in the gun struck his step-mother, Rose Pignone, in the stomach, fatally injuring her. She died a short time later in the Columbus Hospital. The shooting occurred in the bedroom of their home at 497 Seventh Street. It was thought that the gun was accidentally discharged as there was only one cartridge in it. Subsequent investigation developed that there were four more cartridges of the same calibre secreted in the house and Anthony was arrested, charge Manslaughter, 1st degree. When the case came to trial the defendant was discharged.

TWELFTH PRECINCT

At 4:30 P. M., September 17, 1924, Robert James, 30 years old, married, living at 234 Kehr Street, in company with Mrs. Maude Prime, 23 years old, also married of 645 Northland Avenue, alighted from a street car at Box Avenue and Kehr Street. As they approached the curb they were met by Claude Prime, husband of the woman, who called James to one side and got into and argument. Prime pulled a large butcher knife from his pocket and struck James in the throat severing the jugular vein. James staggered out into the middle of the street where he died. Prime made no attempt to escape and was placed under arrest by Detectives Boye and Morlock and Patrolman Charles Luh. The motive for the crime was jealousy as James and the woman had been going around together for some time. Prime was tried for Murder 1st degree, but was allowed to plead to Manslaughter and was sentenced to Auburn Prison from 5 to 10 years.

THIRTEENTH PRECINCT

At 3:30 P. M., September 19th, 1924, Mrs. Teresa Schuster, 55 years old was shot by her son-in-law, Louis Gielow, 36 years

old of 318 Dearborn Street. The shooting occurred in Mrs. Schuster's home at 49 Sunnyside Avenue. Mrs. Schuster died September 24th, 1924, and Gielow had apparently escaped. On the same day that Mrs. Schuster died, Gielow shot himself through the head and was found dead in a field on Ganson Street and the Hamburg Turnpike. Gielow and his wife had been separated for about four years and he blamed his mother-in-law for the breaking up of his home.

FOURTEENTH PRECINCT

At 12:45 P. M., February 19, 1924, Thomas J. Lighton, a patient at the Erie County Hospital, was arrested by Lieutenant Austin J. Roche, Detectives Louis Scheu, William Fallon and Edward W. Tigue, on a charge of Murder 1st degree.

Lighton, while in the ward kitchen of the hospital slashed the throat of William Burton, another patient, severing the jugular vein, causing instant death. Lighton, who had been doing the barber work at the hospital, said the Lord came down and told him to get Burton out of the Way. Lighton had been a patient in an insane hospital for about ten years prior to coming to the Erie County Hospital.

He was arraigned in court, examined and pronounced insane and committed to the Matteawan Hospital for the Criminal Insane.

April 11, 1924, the residence of Mrs. Anna Telford, 12 Exeter Terrace was entered about 11:30 P. M., through a cellar window. Mrs. Telford hearing the noise, started downstairs and she opened a bathroom door was shot by the burglar. She died four days later in the Sisters Hospital. The murderer escaped and a stolen automobile was found at the foot of the street stuck in the mud. This car was evidently used by the burglar to escape. No one has been apprehended for this crime.

SUB-FOURTEENTH PRECINCT

At 10:20 P. M., August 31, 1924, Edward Oberteau, 35 years old, of 159 Kensington Avenue, and Thomas Austin 28 years old, stopping at the Graystone Hotel, became involved in a Ku Klux Klan argument, killing each other in a gun fight in front of 128 Durham Street. George Bryant, age 40, of 465 Colvin Street, and Charles Sturm of 90 Rugby Road who were with the above two men were both wounded. Neither Bryant's or Sturm's wounds proved serious.

REPORT OF THE POLICE SURGEON

Complying with the Rules and Regulations governing the department, I submit the report of the Surgeon of the Department of Police, for the year ending December 31st, 1924.

During the year, twelve members of the department have died. Ten died from natural causes. Patrolman William T. Hunt was killed by a prisoner while making an arrest. Patrolman William T. Quinn was killed by being struck by an automobile.

During the year, 27 members of the department were granted pensions and retired from active duty. Six of these, retired directly for physical disability and upon the certificate of recommendation by the Surgeon. The remaining 21, retired at their own request after 25 or more years of service.

The total number of days lost by members of the department as a result of illness and injury was 12,469. The total strength of the Police Department was 1094; the average loss per man was 11.4 days. Of the above, 9,998 days were lost as a result of illness; 1,869 days from injuries received while on duty; 602 days from injuries while off duty. The total number of visits made by the surgeon in caring for these men was 2,761. In addition to the above, the Surgeon has frequently attended members not actually on the sick roll; has made examinations for appointment and retirement; has attended persons confined in station houses; has made examinations and given medical advice concerning cases of arrest having a medical aspect; has inspected station houses and made recommendations concerning sanitary affairs; and has kept records and done clerical work incident to the position.

A recent inspection of all station houses has been made. The interior repairs and re-painting has improved the appearance and added to their comfort. Where possible, the cells, in the cell rooms, have been rearranged to admit direct light. This is a great improvement. In the more recently constructed houses, the cell rooms are supplied with adequate ventilating systems. The rooms in the station houses in the 4th and 13th precincts have recently been supplied with ventilating systems

which should prove adequate. The cell rooms in the 3rd, 5th, 6th, 7th, 8th, 11th and 14th precincts have no means of ventilation other than the windows. This is not sufficient. A system of ventilators, with cowls above the roofs, should be supplied in these stations.

Respectfully submitted,

EDWIN A. BOWERMAN,

Surgeon of Police

MOTORCYCLES

There are 36 motorcycles in use by the Motorcycle Squad, 18 of which are assigned to the east side and 18 to the west side of the city.

BICYCLES

There are 17 bicycles in use in the department, one bicycle to each of the 16 precincts, with the exceptions of the Tenth Precinct, to which two bicycles are assigned.

GARAGE

At No. 1 Garage we have a fully equipped repair shop to which four are attached to take care of the overhauling and repairs to automobiles, and one man to take care of the overhauling and repairs to motorcycles. This repair shop results in considerable saving of time and money to the department, as it obviates the necessity of sending automobiles and motorcycles to private repair shops for this work.

REPORT OF ELECTRICAL BUREAU

During the year, 1924, the electrical plant and equipment of the Police Department, consisting of every type of electrical apparatus now in operation, was kept in constant operation without any interruption.

The old patrol signal system has given us considerable trouble on account of its long and constant operation. This system has been in operation for the past 36 years, and the equipment in a worn out condition, and has about reached the limit of its usefulness, and should be replaced at once with the modern FLASHLIGHT signal system.

In the early part of 1924, a synchronized traffic control system was put into operation on Main street, from Swan to Tupper streets. This system has been in constant operation without any interruption, and has improved the traffic conditions in this location to a great extent.

In the outlying districts, 21 individual traffic control signal units, electrically controlled, were installed. They have operated constantly since their installation, with slight interruptions at intervals, due to, being run into by traffic and damaged. These signals have greatly improved traffic conditions in their respective locations.

Plans and specifications for an underground conduit system in Delaware Avenue, from and including Upper Terrace and Allen street for underground cables for a synchronized traffic control signal system, and for fire alarm and police cables, was prepared at the request of the Council, and submitted to them for consideration, but was not approved. As Delaware Avenue is destined to become a main artery of the city in the very near future and will require more police and fire alarm protection, the conduit system will be necessary and should be constructed as soon as possible.

The aerial, underground cables and aerial conductors of this bureau are in good condition. In one or two locations the underground cables are congested, but provisions are under way to relieve this condition.

On account of the added traffic signals and two new police precincts, this bureau is called upon to do considerable more work in construction and maintenance than heretofore, and as the work and responsibilities of this bureau expands, we will from time to time be compelled to make requests for increases in our working force and additional facilities.

JACOB GRIMM,

Chief, Police Signal System
